

Park Mate Privacy Policy

Park Mate – Privacy Policy

Effective Date: May 15, 2026

Welcome to Park Mate. Your privacy is important to us. This Privacy Policy explains how Park Mate collects, uses, stores, and protects user information when you use the application.

1. Introduction

Park Mate is a smart parking assistance application designed to help users locate parking areas, access parking-related services, and improve the parking experience using location-based functionality.

2. Information We Collect

- Location Information (GPS and approximate location)
- Internet and network information
- Device information such as Android version and app version
- User account information (if login/authentication is enabled)

3. Permissions Used

- INTERNET
- ACCESS_FINE_LOCATION
- ACCESS_COARSE_LOCATION
- ACCESS_NETWORK_STATE

4. How We Use Information

- To provide parking services
- To improve user experience
- To maintain app security and performance

5. Third-Party Services

The app may use services such as Google Maps and Firebase.

6. Data Security

We take reasonable measures to protect user information against unauthorized access and misuse.

7. User Rights

Users may request deletion or correction of their information and manage permissions through Android settings.

8. Children's Privacy

Park Mate is not intended for children under 13 years of age.
